

INNOVV ACCESSORIES

Market leading accessories to compliment your powersport camera

INNOVV POWER HUB 2

- SIMPLE DESIGN
- SOLID CONSTRUCTION
- WATER PROOF
- DUST PROOF
- EASY USE AND INSTALLATION
- 46.2mm x 31mm x 18mm

The **INNOVV Power Hub 2** keeps everything tidy, is simple and easy to use whilst being very compact in size.

INNOVV™ POWER HUB 2

DC 12V IN	DC 12V OUT (20A TOTAL)
Red: +, Black: -	Red: +, Black: -
Yellow: Acc	(Default 3A each, 5A Max.)
10s Power on/off delay, Solid blue=Power on	

- Do you power-up/power-off the devices manually?
- Devices getting damaged by poor power supply?
- Multiple connections to the battery look unprofessional and messy!

Everyone has more than just powersport cameras.... there are also GPS, driving lights, heated clothing/gloves, and other accessories on our offroad toys. The PowerHub2 allows you to connect up to 5 different accessories very easily. It's powered with the ignition so it turns on and off with the turn of a key and by having a shared ground connection, it keeps everything tidy and easy to use.

EXTENSION CABLES

INNOVV 3m and 9m Extension Cables for the INNOVV powersport camera systems

Cable length: 3m (9.84 ft) or 9m (29.52 ft)

Compatible with the K3 Front / Rear Camera and/or K5 Rear Camera

MOTORCYCLE COVER

Universal Design

The INNOVV motorcycle cover is designed to fit various motorcycles. It fits Honda, Suzuki, Kawasaki, Yamaha, BMW and others with its size of 265 x 105 x 125cm.

High Quality Material

The INNOVV motorcycle cover is made of premium quality 300D oxford fabric, with a silver coating inside.

Lock-hole Design

The motorcycle cover is equipped with a lock-hole, an anti-theft design that still allows you to secure your motorcycle.

Night Reflection

The motorcycle cover comes with 4 reflective stripes to enhance the bikes visibility when covered in poor light or dark areas.

BMW OE BRACKET

- Stainless Steel built and powder coated matte black, this bracket provides a perfect OE fit for the BMW R1250GS and R1200GS.
- It allows you to position your camera at the perfect location to enjoy a more relaxed and safer ride.
- Easy to install with no modifications required.
- Suitable for K3 or K5

SD CARDS

Genuine Sandisk memory cards record in High Definition video and are strictly tested to ensure best speed and image stability for your INNOVV powersport camera. All INNOVV approved Sandisk SD Cards are Class 10 U3 and INNOVV powersport camera systems can support up to 256gb.
